ORDER

The Fifth Circuit remanded this case for an evidentiary hearing on two claims of ineffective assistance of counsel. An evidentiary hearing is scheduled. This Court previously denied the petitioner's request for discovery concerning historical evidence of racially motivated peremptory jury strikes by the Harris County District Attorney's office. Washington moved for reconsideration, citing a recent Supreme Court decision. For the same reasons given on pages 4-5 of this Court's Order dated

August 5, 2019, *see* Docket Entry No. 200, Washington's motion for reconsideration (Docket Entry No. 198) is DENIED.

SO ORDERED

SIGNED this 9 day of August, 2019, at Houston, Texas.

A handwritten signature in black ink, appearing to read "David Hittner", is written over a horizontal line.
